ABOUT OUR PROGRAM

Our ministry is a family focused Religious Education Program. The parents are the primary educators of the child's Faith Formation. Our ministry supports this effort by providing educational resources and monthly mandatory Parent Zoom Meetings. This program is reflective of the Churches teaching, that the parents are the primary Teachers of their children. The Catechism of the Catholic Church says this (#2226) "Education in the faith by the parents should begin in the child's earliest years. This already happens when family members help one another to grow in faith by the witness of a Christian Life in keeping with the Gospel. Family Catechesis precedes, accompanies, and enriches other forms of instruction in the Faith. Parents have the Mission of teaching their children to pray and to discover their vocation as children of God". The proper formation of the child in the Faith is at least as important if not more important than any other extracurricular activity the child is involved with. Children will have a Children's in-person session once a month to review the chapters that were read for that month.

(see back of page for calendar)
